

ELENCO STRUTTURE RICETTIVE CONVENZIONATE

L'I.P.A. Internazionale sta portando a termine un progetto per la creazione di un libro che riporti oltre all'elenco delle case IPA di tutto il mondo anche un elenco di tutte quelle strutture ricettive (case, hotel, resort, ecc.) gestite direttamente da soci IPA o che hanno stipulato con i vari Comitati degli accordi che prevedano degli sconti per i soci IPA.

Questo progetto consentirà ai soci di poter effettuare viaggi, escursioni e gite in tutte le parti del mondo a prezzi sicuramente vantaggiosi.

Viene richiesto di compilare delle schede ove indicare i dati relativi alla struttura ricettiva e lo sconto praticato (le schede, riportate negli allegati a titolo di esempio, possono essere richieste a questo comitato in formato world compilabile a video).

Il Comitato Locale raccoglierà questi moduli e li trasmetterà alla Delegazione Regionale per il successivo inoltro alla Segreteria Nazionale.

Cari Soci e Amici cercate quindi di informare di questa opportunità tutte quelle strutture vicine alle forze di polizia e che meglio si prestino per un rapporto qualità / prezzo ad essere utilizzati dai nostri soci e dalle rispettive famiglie o amici.

Rappresentate ai titolari delle strutture del doppio vantaggio di queste "convenzioni" dato dall'aver una pubblicità gratuita a livello mondiale e una clientela selezionata quali noi tutti siamo.

Ognuno di noi ha la possibilità di contribuire a questo progetto. Forza soci I.P.A. diamoci da fare.....

Re: IPA Hosting Book –Information Regarding Other Accommodation

Defining “Other IPA Accommodation”

Other IPA Accommodation relates to properties (guest houses, apartments, hotels, holiday resorts, camping resorts, houseboats, etc.) that are owned and managed by private persons/entities and/or IPA members and which are not officially recognised as IPA Houses, and that offer accommodation for IPA members and their immediate dependents at agreed discounted rates.

The most critical of all is that a distinct **% discount** is offered to IPA members.

Publishing of Information Regarding Other IPA Accommodation

As all Sections are aware, one of the key SCC Projects is to publish an IPA Hosting Book containing all IPA facilities available across the World for IPA members which will include information regarding Official IPA Houses and Other IPA Accommodation.

It is in this regard that we request all Sections to participate and assist by providing us with the required information regarding all Other IPA Accommodation that is available in your respective Sections.

As and when we get information from a Section, we will include this in our IPA Hosting Book.

The information required relates to at least the following:

- Name of the facility
- Town or city as well as State/Region/Province where the facility is situated
- What kind of facility is it and what does it have to offer
- Booking contact details (name, email and telephone number)
- Brief description
- Special booking conditions (% discount) as applicable

All Sections who currently have Other IPA Accommodation available are requested to provide us with the information, so that we can publish such in the IPA Hosting Book.

In order to standardise the information and layout, we request that all Sections use the Template (form) as attached. If there are more facilities available than provided in the Template, please just create another document and use as per your needs. (Please see the example below).

Other Accommodation Agreement - Template

Please find attached an “Agreement Template” that can be used between the IPA and the Facility.

Please note:

- IPA Sections are not forced to use this Agreement. It has merely been developed to assist where the management of a facility wants to formalise such an agreement
- In acknowledging the legislation in each country, each Section can adapt the Template for its specific needs as may be applicable.
- The information therein can be used as a base for discussions with the management of such facilities.

Growing the Number of Facilities

We are calling upon all Sections to market the principles of Other IPA Accommodation amongst your members and to negotiate with various persons and sectors in order to obtain and grow Other IPA Accommodation as a key benefit for our members.

Sincere IPA greetings to all and I am keenly looking forward to the participation of all Sections.

Please email all information or if there is any inquiry to me at: president@ipasafrica.co.za
